NATURAL GAS MAKES YOUR HOUSE A HOME

Exterior

Tankless Water Heater

A tankless water heater will give you endless hot water — it also saves on space.

Fireplace

Enjoy the warmth and coziness of your fireplace with a flick of a switch.

Dryer

Dry your clothes twice as fast — your favorite outfit could last longer too.

Stove

Enjoy precision temperature control when cooking your family's favorite meal.

Power Generator

Enjoy peace of mind — your power won't go out during a power outage when you use a natural gas backup generator.

Furnace

Warm up your house faster with a natural gas furnace. It delivers heat up to 25° F warmer than electric heat.

Outdoor Heaters

Extend your outdoor entertaining season with a natural gas outdoor heater — without needing to change the propane tank.

Fire Pit

Soak up the heat and ambiance of a fire without having to clean up the ash.

Lighting

Enjoy the warm, relaxing glow of natural gas lights without the nuisance of bugs being attracted to the lights.

Pool Heaters

Heat up your pool for year-round enjoyment.

Home Value

Put money back in your pocket by using natural gas with lower maintenance and repair costs and potentially higher property resale values.

Outdoor Kitchen and Barbecue

Never worry about running out of propane again when you use a natural gas hookup.
